### **Altamonte Springs Detectives Make Burglary Arrests**

Over the weekend, two burglaries occurred in the City of Altamonte Springs. The first burglary occurred during the evening hours on 1/4/2013 at Lake Brantley High School, where unknown suspects pried their way into the gym, causing an estimated \$10,000 in damage. During that same night, the suspects also pried open the door to the baseball locker room, vandalizing the inside.

The second burglary report was taken on 1/8/2013 at Merrill Park. Workers observed the concession stand doors were damaged, where suspects attempted to pry them open. The damage was estimated at \$2000.00.

Last night, through investigative leads, Altamonte Springs Detectives tracked down Anthony Bell and Dennis Fitzgerald. After interviewing both suspects, Bell and Fitzgerald were arrested and charged with burglary to a structure and criminal mischief.
