

-
- 3) Describe how the literal interpretation of the provisions of the zoning regulations would deprive the petitioner and applicant of rights which are commonly enjoyed by other properties in the same zoning district and would work unnecessary and undue hardship on the petitioner and applicant.
- 4) Describe how the requested variance is the minimum variance that will make possible the reasonable use of the land, building, or structure.
- 5) Explain how the granting of the request would not confer on the petitioner or applicant any special privilege that is denied by these zoning regulations to other lands, buildings or structures in the same zoning district.

-
- 6) Describe how the granting of the variance will be in harmony with the general intent and purpose of these zoning regulations and will not be injurious to the neighborhood or otherwise detrimental to the public welfare.
