

## Citizen Self Service Portal Guide to Viewing & Reviewing Inspections

Inspection information is available by:

1. Clicking the circle buttons in the Inspections section of the dashboard or
2. Selecting View > Inspections from the top navigation bar.

### View > Inspections > My Existing Inspections

- *Scheduled or Requested*  
Sort scheduled or requested inspections by selecting the appropriate option from the Display dropdown.
- *Export*  
Export the full inspection list as a CSV file which can be opened in Excel.
- *Inspection Schedule*  
Click on the inspection number to see when the inspection is scheduled

### Viewing Permit Inspection Results

1. Click on desired permit number.
2. Select Inspection tab (in middle of the page) to see all inspections.
3. Sort by desired status.
4. Click on inspection number to see details.
5. Select **Checklist** to see inspector's comments.

### Inspection Results

- *Partial Pass Status*—This likely means the inspected work has passed, but the inspector anticipates more inspections of the same type will be needed for future phases of construction (e.g., footings). The status is marked as Partial Pass so additional inspections can be scheduled.
- *Permit Inspection History Report*—After a permit has been issued and inspections have been performed, click the print icon (top right corner) to view the Permit Inspection History Report.

## ***Requesting Inspections***

Who can request inspections?
