

Commissioner Mike Brunscheen

Mike Brunscheen moved to Altamonte Springs in 2009. Over the past 13 years, he has watched the area prosper while enjoying its great services and amenities.

A believer in giving back to the community, Mike served on the board for the Second Chance of Florida Foundation, was a former ambassador for UCF's Strategic Selling Program, a former chair for the Downtown Business Partnership and on the Marketing Board for the Metropolitan Business Association. Further, he has served on the Altamonte Springs Code Enforcement, Personnel Administration and Municipal Planning volunteer boards.

Besides Mike's involvement in the City of Altamonte Springs, he is also a proud graduate of the Seminole County Sheriff's Office Community Law Enforcement Academy (Class #67 in 2016). After a rigorous application and interview process, along with an additional background check, Mike was appointed to the Seminole County Sheriff's Civilian Review Board in 2018 and was re-appointed for a second four-year term in 2022.

In 2021, Mike was appointed to represent Altamonte Springs on the Seminole County Public Schools Citizens Advisory Group regarding the Impact Fee schedule. He spoke strongly in support of continued smart growth, properly structured fees and no unnecessary debt when other alternatives are available.

From a young age, Mike knew he had a passion for sales, working part-time for a refinance organization while learning the value of building meaningful business relationships. His time at the University of Central Florida encouraged his passion for Account Management and Business Development, specifically focused on branded merchandise, print and marketing.

For 18 years, Mike assisted small and Fortune 500 companies in strategically reaching their customers. In 2021, he diversified his client portfolio by helping medical professionals market their businesses locally. In 2022, he joined a technology group where he feels right at home with the company's core philosophy, "Because Connections Matter."

Mike met his wonderful wife, Kelly, in Altamonte Springs in 2012, and they married four years later. They have two beautiful children. The Brunscheen family can be found playing and enjoying in Altamonte's numerous parks and playgrounds.
